Anthony is a Senior Associate at Tottle Partners. He began working with the firm in 2007, having graduated from the University of Western Australia with a Bachelor of Laws and a Bachelor of Commerce in 2006. Tony was admitted to practice in Western Australia in 2008.

In 2010, Anthony moved to the UK and worked with a top tier international law firm before re-joining Tottle Partners in 2013. He specialises in commercial property and general commercial matters, including the following:

- Preparation and negotiation of lease documents for both landlords and tenants.
- Preparation and negotiation of commercial property sale agreements.
- Preparation and negotiation of loan and security documents.
- Preparation and negotiation of business sale agreements.
- The settlement of commercial property sale agreements.
- The settlement of business sale agreements.
- Assistance and advice in relation to the Western Australian land titling system.
- Advice in relation to the Commercial Tenancy (Retail Shops) Agreement Act.
- Advice in relation to the Strata Titles Act.
- Advice in relation to the Contaminated Sites Act.
- Advice in relation to caveat disputes.

Recently Anthony's work has included:

- The preparation of lease documents and property sale contracts for a major national retailing organisation.
- The preparation of lease documents and related advice leasing work and related advice for a Singaporean based real estate investment fund.
- The preparation of lease documents and property sale contracts for a national health service provider.
- The preparation of a business sale agreement for the sale of a major cargo and logistics service provider.
- The preparation of lease documents and property sale contracts for a governmental rail transport body.
- The preparation of loan and security documents for boutique finance provider.

Anthony is a member of the Law Society of Western Australia and is a mentor in the Law Society of Western Australia's mentoring programme.
