

amanda sinclair

special counsel

P: +61 8 9217 6700
E: asinclair@tottle.com

Amanda began working with Tottle Partners in 2009 and was admitted to practice in Western Australia in September 2010 and the Commonwealth Courts in October 2010. She graduated from the University of Western Australia with a Bachelor of Laws.

Amanda specialises in construction and engineering matters, providing dispute resolution and advisory services including the following:

- project advisory, risk strategy and claims management advice
- dispute resolution including litigation in the Supreme, Federal, and District Courts
- private and court facilitated mediations
- domestic and international arbitrations
- adjudication under the *Construction Contracts Act 2004* (WA)

Amanda's experience includes advisory and dispute resolution work for:

- contractors working on major regional onshore and offshore infrastructure and mining projects including the Chevron Gorgon, Wheatstone LNG, Roy Hill, Eastern Goldfields Regional Prison Redevelopment, Southern Seawater Desalination Plant and Tan Burrup Projects
- contractors, service providers and builders on various major Perth metropolitan area projects including the New Perth Stadium, Midland Health Campus, Fiona Stanley Hospital, Perth Children's Hospital and Perth Airport Upgrade Projects
- an EPCM contractor working on a mineral sands mine project in Kenya
- a contractor fabricating components of an offshore FPSO
- owners and principals, including a leading Perth university, the owner of a nitrogen and oxygen plant and the owner of various mine accommodation units and camp facilities
- a civil contractor working on a shopping centre and carpark development in Darwin

Amanda is a member of the Society of Construction Law Australia and the Law Society of Western Australia.
